

### Main

|                               |                                  |
|-------------------------------|----------------------------------|
| Device short name             | Gear motor MCH                   |
| Product or component type     | Gear motor mechanism MCH         |
| Device application            | Automatic spring charging        |
| Range compatibility           | Masterpact NW circuit breaker    |
| Control type                  | Motor mechanism                  |
| [Uc] control circuit voltage  | 48 V AC 50/60 Hz<br>48...60 V DC |
| Circuit breaker mounting mode | Drawout                          |

### Complementary

|                                 |        |
|---------------------------------|--------|
| Maximum charging time           | 4 s    |
| Maximum power consumption in VA | 180 VA |

### Offer Sustainability

|                            |                                               |
|----------------------------|-----------------------------------------------|
| REACH Regulation           | <a href="#">REACH Declaration</a>             |
| EU RoHS Directive          | Compliant <a href="#">EU RoHS Declaration</a> |
| Mercury free               | Yes                                           |
| RoHS exemption information | <a href="#">Yes</a>                           |
| China RoHS Regulation      | <a href="#">China RoHS Declaration</a>        |

### Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
